Oregon College of Art & Craft - Spring 2018

Introduction to the Fundamentals of Drawing Botanical Subjects

6-week class March 10 - April 21

Check this website for listing in late December:

<https://community.ocac.edu/courses/adult>

Sitka Summer 2018

2-day workshop - Introduction to the Fundamentals of Drawing Botanical Subjects

This is the speed-dating version of my Fundamentals classes - gives a taste of how traditional drawing principles are applied to drawing botanical subjects - first day in graphite, 2nd day working in colored pencil.

Exact dates TBA

For more information go to: <https://www.sitkacenter.com>
