

# OBA Botanical Print Show at Lan Su Chinese Garden 2022

## Call for Artists

**Exhibit Title: Lan Su Botanical Print Show:**

**A Celebration of the 10th Anniversary of the Oregon Botanical Artists (OBA)**

**Exhibit Dates: November 1, 2022 – December 31, 2022**

### **Purpose**

The Lan Su Botanical Print Show 2022 will be the culminating event in Oregon Botanical Artists' celebration of our 10th year as an organization dedicated to the study and depiction of the world's beautiful and rich plant diversity. This exhibit will introduce Lan Su Chinese Garden visitors to botanical art. It will also provide an opportunity for botanical artists to exhibit and sell prints of their work and enable the artists to learn the process of reproduction through giclée.

### **Eligibility**

All current members of Oregon Botanical Artists (OBA) or Pacific Northwest Botanical Artists (PNBA) who are 18 years of age or older are eligible to submit works. All entries must be 2-D reproductions derived from original, hand-rendered works of art of any media. No photography or digitally created work will be considered. Any botanical subject is acceptable. Pollinators are accepted as long as they are not the dominant subject. This is a non-juried show.
