Sarah Morrish

Sarah provides online learning resources via Patreon

<https://www.patreon.com/naturesdetails>

In addition, she can also provide tailor-made online workshops for organizations and their members, details of which can be found at:

<https://www.illustratingnaturesdetails.com/drawing-nature-online-workshops>

Dianne Sutherland

Dianne has extensive experience as an artist and teacher. She offers both short and in-depth courses in virtually every aspect of botanical watercolor painting and graphite drawings. Her courses consist of pre-recorded videos and personal feedback. Her botanical art blog has a wealth of information, just do a search on the topic you are interested in
